

Biju Kolli

Vibes Dance Company

An early starter in the field, Kolli, 34, set up Vibes Dance Company seven years ago to teach jazz, funk and groove. A big name in Bangalore dance circles, he has been associated with 500 dance-related shows in India and abroad. A truly peripatetic dance guru, Kolli has just got back from a workshop in Dubai. With his hands full with travel assignments and corporate shows, Kolli is cutting down on the number of classes he holds. However, that does not deter students—including a doctor and a dentist—from flocking to his weekend classes. Fees: Rs 150 per class. Call: 9845189281 or e-mail: bijukolli@hotmail.com.
